

COMPANY PROFILE 2025

Founder Message

“At Digitax Chartered Accountants LLC, we are committed to delivering precision, compliance, and strategic financial guidance to businesses across the UAE. Our mission is to empower clients with transparent, timely, and value-driven services in line with international best practices and UAE law. As the regulatory landscape evolves, we aim to be your trusted financial partner, offering clarity and confidence in every decision.”

Founder Profile

Dhani Bux

Founder & Managing Partner, Digitax Chartered Accountants LLC

Dhani Bux is a Certified Public Accountant with over 14 years of extensive experience in external and internal audit, taxation, accounting, finance, and regulatory compliance. Throughout his distinguished career, he has held pivotal roles in globally recognized audit firms such as Ernst & Young (EY) and RSM, as well as in multinational corporations.

His professional journey includes leadership and hands-on experience across diverse sectors, including construction, retail, hospitality, manufacturing, Real Estate, NGOs, education, healthcare, and service industries. He has led and executed numerous audit engagements and financial consulting projects that delivered measurable value to clients by enhancing their compliance, governance, and operational performance.

Under his leadership, Digitax Chartered Accountants LLC is committed to setting new benchmarks in quality, compliance, and client-centric financial solutions in the UAE market.

About Us

Digitax Chartered Accountants LLC is a UAE-based professional firm offering accounting, taxation, auditing, and business advisory services. With a team of certified experts, we ensure that our clients comply with UAE regulatory frameworks including the Federal Tax Authority (FTA), Ministry of Economy, and UAE Corporate Tax Law. We serve clients across sectors, supporting their growth with tailored financial strategies and integrated solutions.

Vision

To be recognized as a leading chartered accounting firm in the UAE, renowned for integrity, innovation, and excellence in financial consulting.

Mission

- To provide reliable, timely, and accurate financial solutions that comply with UAE laws and international standards.
- To support businesses in making informed decisions through expert advisory and data-driven insights.
- To uphold professional ethics, confidentiality, and client satisfaction at every level of service.

Our Services

Preparation of Financial Statements as per IFRS

Digitax Chartered Accountants LLC prepares fully compliant financial statements based on International Financial Reporting Standards (IFRS), ensuring accuracy, transparency, and regulatory alignment within the UAE's financial framework.

Budgeting and Forecasting

We provide strategic budgeting and forecasting solutions to help businesses plan effectively, manage resources wisely, and drive sustainable growth, with insights tailored by Digitax Chartered Accountants LLC.

Working Capital Management

Digitax Chartered Accountants LLC helps optimize your working capital through improved cash flow, receivables, and inventory management, boosting liquidity and operational efficiency

Implementation of IFRS

Our experts at Digitax Chartered Accountants LLC provide complete IFRS implementation and conversion support, enabling your organization to meet international reporting standards smoothly.

ERP Implementation

We assist in the design and deployment of ERP systems that integrate accounting and operational processes—Digitax Chartered Accountants LLC ensures the system aligns with your financial and compliance objectives.

Accounting and Bookkeeping

Digitax Chartered Accountants LLC delivers reliable and up-to-date bookkeeping and accounting services in line with UAE laws, ensuring your financial records are audit-ready and tax-compliant.

VAT & Corporate Tax Registration

We handle VAT and Corporate Tax registration with the Federal Tax Authority (FTA), ensuring your business is fully compliant from the outset with support from Digitax Chartered Accountants LLC.

VAT & Corporate Tax Return Filing

Digitax Chartered Accountants LLC manages the timely and accurate filing of VAT and Corporate Tax returns to avoid penalties and maintain regulatory compliance with FTA standards.

VAT Refunds

Our specialists assist in securing eligible VAT refunds by preparing precise documentation and liaising with the FTA on behalf of your business through Digitax Chartered Accountants LLC.

Corporate Tax Advisory

Digitax Chartered Accountants LLC offers tailored corporate tax advisory services to reduce tax exposure, optimize structure, and ensure adherence to the UAE Corporate Tax Law.

VAT & Corporate Tax Deregistration

We manage the full deregistration process through the FTA when your business ceases taxable operations, ensuring a smooth and compliant transition handled by Digitax Chartered Accountants LLC.

Internal Audit

Our internal audit services, delivered by Digitax Chartered Accountants LLC, evaluate your internal controls, risk management, and governance processes to support operational excellence and accountability.

External Audit Assistance

We prepare your business for external audits by ensuring books and records are accurate, compliant, and audit-ready, with professional guidance from Digitax Chartered Accountants LLC.

Valuation of Companies

Digitax Chartered Accountants LLC provides fair and professional business valuations for mergers, acquisitions, legal, and investment purposes using proven financial models and industry benchmarks.

AML Services

We implement customized Anti-Money Laundering (AML) frameworks as per UAE Central Bank guidelines, helping your business mitigate risk and maintain compliance through Digitax Chartered Accountants LLC.

Company Formation (Mainland & Free Zone)

Digitax Chartered Accountants LLC provides end-to-end company setup solutions in UAE Mainland and Free Zones, from legal structuring to licensing, tailored to your business objectives.

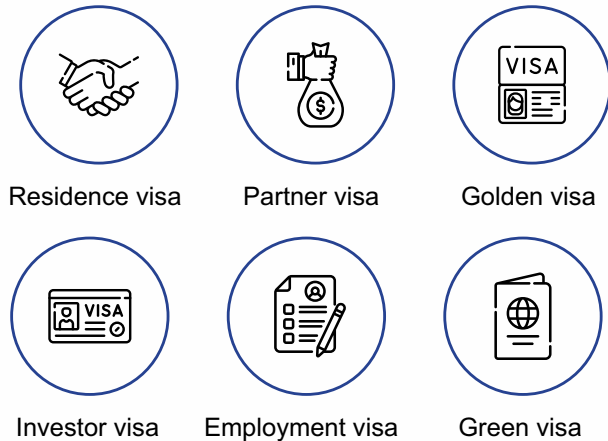

Corporate Bank Account Opening Assistance

We assist in opening UAE corporate bank accounts by preparing required documentation and coordinating directly with banks—Digitax Chartered Accountants LLC simplifies the entire process.

PRO Services

Our professional PRO services include visa applications, labor contracts, and document attestation, ensuring smooth interaction with UAE government departments through Digitax Chartered Accountants LLC.

Different types of PRO in the UAE

Golden Visa

Digitax Chartered Accountants LLC assists qualified investors, professionals, and entrepreneurs in securing long-term UAE residency under the Golden Visa program, handling the full documentation and submission process.

Process Improvement

We assess and refine your core business processes to eliminate inefficiencies, reduce costs, and enhance productivity—Digitax Chartered Accountants LLC ensures each improvement is compliant and result-driven.

Development of Standard Operating Procedures (SOPs)

Digitax Chartered Accountants LLC develops clear, practical SOPs tailored to your business operations, fostering consistency, accountability, and compliance across all departments.

UAE BUSINESS ADVANTAGE

100% capital and profit repatriation
